LGA-4 Package

SOT-23-3 Package

TARGET APPLICATIONS

Bare Glass Reed Switch Replacement	Power Switch or Open-Close Detection
Consumer Electronics	Proximity Detection
Door & Lid Closure Detection	Rotary Sensing
Fluid Level Detection	Smart Phones, Tablets and Laptops
Motor Controllers	Utility Meters
Open-Close Detection	Wake-Up μProcessor
Portable Medical Devices	

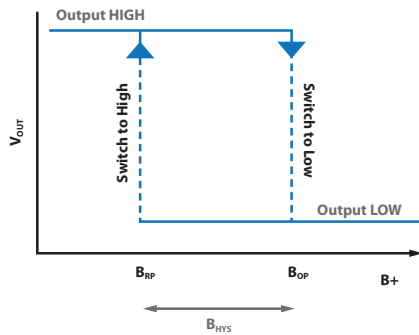

Omnipolar Magnetic Flux Response (Active Low Option)

Bipolar Magnetic Flux Response (Active Low Option)

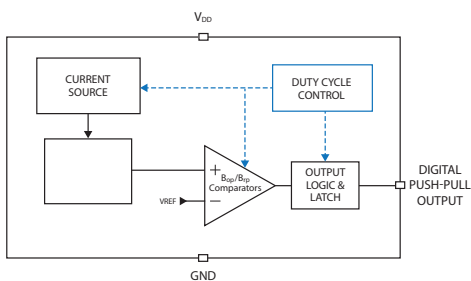

Unipolar Magnetic Flux Response (Active Low Option)

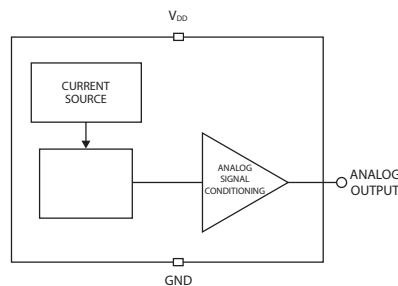

Analog Magnetic Flux Response
